

LISMORE
REGIONAL GALLERY

EXHIBITION PROPOSALS

CALL FOR PROPOSALS :: NEXT DEADLINE: 27 NOVEMBER 2016

Are you interested in exhibiting with Lismore Regional Gallery?

The gallery will open in its new building at the Lismore Quadrangle in late 2017. The first floor will showcase curated exhibitions, touring exhibitions and a dedicated gallery for the permanent collection. We will balance our program in these spaces across the year so that it reflects the diverse interests and voices of people from our region and beyond.

The prominently located downstairs gallery will prioritise local early career artists in a program of about eight exhibitions per year. The gallery is 9.8m x 3.5m x 3.4m (h) (see floor plan) and has gallery lighting and hanging tracks. Artists will receive a fee of \$250 per show, and be expected to help with installation/de-installation. With a large floor to ceiling window, the gallery space will be highly visible to people passing by and those engaging in activities in the Lismore Quadrangle.

Exhibition proposals can be submitted anytime throughout the year. A selection panel will assess all proposals following our two annual deadlines (27 November and 27 May). Exhibitions assessed in the November 2016 round will be programmed from early 2018, primarily in the downstairs gallery.
